PRATIBHA COLLEGE OF EDUCATION CHINCHWAD PUNE-19.

PLACEMENT CELL REPORT OF THE YEAR 2023-2024.

The Placement Cell of Pratibha College of Education operates round the year to provide job opportunities to the final year students of the college. It serves as an interface between the students and the various institutions. Different schools from the twin cities of Pune PCMC are approached and invited to the college in order to make a range of opportunities available to the students of B.Ed. courses.

The Placement Cell had another fruitful year of placements and internships as several regular as well as new schools visited the campus for the recruitment drive. Principals/ experts from around 10-12 schools came to Pratibha College of Education for placements. The names of the schools are: Guruvarya Academy School, Ganesh Nagar, Chikhali, Pratibha Jr. College, and others. In fact, we saw a huge surge in the opportunities for students. As of now 55 students have been selected by various institutions.

The Cell also organized talks, workshops and competitions to equip students with life skills and to provide career guidance about the avenues open after graduation. The Placement cell identified the needs of the students, oriented them on how to prepare their resume and organized capacity building activities for the students.

To conclude, all the activities of the Cell are carried out tirelessly by the placement cell team under the guidance and supervision of Placement Cell Coordinator with Dr. Suvarna Gaikwad Pratibha College of Education.
