Practice Lessons and Internship Policy

As this is professional course, in the beginning of the first year, teaching skills are taught to student teachers. They practice it in the college in front of peers. After that permissions from various schools in the vicinity are taken. Then student teachers conduct practice lessons in schools. Both practice lessons and internship are carried out as per SPPU rules. Students conduct 6 practice lessons of two methods (3+3) in first year and 6 practice lessons of three methods (3+3+3) in second year.

For first year, Internship programme is for 4 weeks while it is of 16 weeks for second year. In this period, student teachers work group wise in different schools. In this period, they conduct different lessons, organize different activities, conduct tests, prepare blue print, unit plan etc. Some practical's which are related to schools are also carried out in this period. Evaluation is carried out as per SPPU guidelines.
